

LAND MANAGEMENT REPORT JANUARY 19, 2008

As Facilities Coordinator of the TCC Land Management, I would like to report the following Project Statuses and tasks for this weekend:

PROJECTS COMPLETED

Tool shed has been cleaned out and the roof has been replaced by Peter and Ken.

PROJECT STATUS

- Bo has volunteered to build a deck behind the dressing room allowing more area for our performers. Peter has offered to build a roof over the deck
- Flag Pole field wire has been purchased and will be run this weekend
- Jacob reported that he has received \$500 in donations toward the First Aid Station and gave delegates a letter to take back to their clubs requesting each club donate \$250.00 toward the project
- John S. stated he is still trying to find out how much Holiday Charities will be donating toward the First Aid Station.
- Brian has not been able to contact the County Road Commissioner regarding possibly digging the drainage ditch along Walter Bennett Dr.
- Lee(or Lobo, do not remember who) reported a couple of donations have been received for the Personal Hygiene Station Project

TASKS NEEDING HANDLED THIS WEEKEND

- Replace front door to Bunkhouse
- Collect fallen limbs in tenting area and take to fire pit
- Build shelving in Hazmat shed
- Pull out plants in the ditch that parallels the shower building to road to improve water flow
- Replace left/middle broken middle toilet bowl seat
- Tighten hinge on water heater room door
- Remove leftmost walk-in cooler glass door, replace seal and investigate the door closer mechanism.
- Check out fan behind Pole Barn for operation. Dismantle if non operational.

Respectively submitted,
Dale Arndt
Facilities Coordinator
Texas Conference of Clubs
