County: Milam

We hereby propose to furnish material and labor necessary for the completion of one 4" water well, drilled, cased, and cemented. The estimated depth is 350 feet.

The drilling and well labor cost: \$4900.00  
The well materials: \$1400.00

Subtotal: \$6300.00

The well materials include some or all of the following items: PVC casing, PVC screen, galvanized steel liner, Portland cement, and other miscellaneous well materials. If a stainless steel screen is required it will be at a cost of \$41.00 per foot.

The variance cost per foot is: \$18.00

The pump and pressure system costs are as follows.

Labor: \$650.00  
1 hp submersible pump installed with a 300 pressure tank & a 200 foot setting \$2100.00

Estimated sales tax: \$236.00

Proposed Total: \$9286.00

Deposit (to be paid by rig move-in date) \$4643.00

The balance of the actual invoice is to be paid upon completion. The pump and the pressure system will remain the property of Brien Water Wells until the invoice is paid in full.

NOTE: This proposal may be withdrawn by us if not accepted within 30 days.

ACCEPTANCE OF PROPOSAL:

The above prices, specifications, and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.
