Texas Conference of Clubs
Mr. Robert Whittaker
Secretary

Dear Bob,

I have enclosed the check we have been discussing for weeks now. It is drawn against the PWA Holiday Charities account, but only for the reason that their credit card machine and banking relations allowed Joel a convenient conduit for the funds. He was always scrupulous about never touching any funds raised whenever he participated in an event.

These monies were raised by "Depila Debris" at an unsponsored but community wide event for the purpose of providing the Texas Conference of Clubs revenues to offset the Club's generous donation of the use of its landsite facilities for the semi-annual PWA Campouts. There were no restrictions placed on how TCC may use these monies. They are a "thank you" from a man and his community who have seen the benefits provided the Holiday Charities clients from all over Texas by providing a weekend of recreation in the woods.

It is most unfortunate that Joel was not able to make the presentation in person. He had the highest regard for TCC and its membership. He too loved every weekend he spent at the landsite and spoke often of his desire to make more visits.

There is a memorial planned for Joel on Saturday, July 29th at 3:00 p.m. at "George" (previously Bricks II) in Houston. All are welcome to help celebrate the life of a very special man.

Thank you for your help in completing this transaction in the name of Joel Icenhower.

I look forward to seeing you and all of the TCC "family" soon.

Sincerely,

Bill Nix
